

# Designing Solutions for Science and Society

**GLE 3.1.1 Identify the problem. What is the bioethical dilemma?**

**GLE 3.2.1 Who are the stakeholders or people who contribute to this issue?**

*Fill out the chart below. Describe 3 solutions to the dilemma, explain the consequences, relevant criteria or values, and effectiveness.*

Potential Solutions (3.3.3)	Possible Consequences (3.2.2)	Criteria or Values (3.1.3)	Effectiveness (3.1.3)

**What is your solution? Justify your choice.**
